2017 ANNUAL REPORT

2017 ANNUAL REPORT

Ronald McDonald House of Dallas (RMHD) keeps families together, inspires strength, and gives love and support to families whose children are receiving essential medical care. It is the only organization that provides a welcoming, safe home-away-from-home for families who travel and need a place to stay while their children receive treatment at any Dallas area hospital. For a suggested contribution of \$15 per day (with no family turned away for an inability to pay), RMHD serves three meals each day; provides shuttle transportation to and from local hospitals; and offers activities and services to make the stay as comfortable as possible. Families are also able to connect with caring volunteers, other families, and our House dog, Shiloh, the Chief Cheer Officer.

A WORD FROM OUR CEO

2017 was an incredible year for Ronald McDonald House of Dallas. Our fundraising efforts and generous community support that we received throughout the year allowed us to serve over 2,800 individuals with 17,666 nights at the House. Patients traveled from all over Texas, across the United States and from 16 countries. As we look forward to 2018, we will be growing to help more families coming to Dallas for medical treatment. We will be adding 30 additional guest bedrooms so we can serve more families and we will be breaking ground on The Elsie and Marvin Deikelboun Family Foundation Wing in September. In addition, we are expanding our programming to serve more families with the opening of our first family room at Texas Scottish Rite for Children Orthopedic and Sports Medicine Center Frisco. Thank you for supporting Ronald McDonald House of Dallas and allowing us to keep families together and close to the care they need, when they need it most.

Jill Cumrock, Chief Executive Officer

The Detten Family

MEET ONE OF OUR FAMILIES

The Detten family's journey at Ronald McDonald House of Dallas (RMHD) began in 2009 prior to the birth of their first daughter, Alice, who had been diagnosed in-utero with multiple congenital heart defects and a diaphragmatic hernia. The weeks they spent at RMHD awaiting Alice's arrival were tense but the House made it bearable. Alice was born at 38 weeks and only lived two days. The family was devastated but grateful for RMHD and what it provided during the worst time of their lives. Just two short years later, the family returned to await the arrival of John, who was diagnosed with the same condition as his sister. John endured two surgeries and months of therapies and they were able to go home just before Christmas. In 2014, the family welcomed Emma, who was born with the same condition as her siblings. Emma's stays have been shorter than her brother John's. The family has utilized services at the House for over 200 nights throughout the past 9 years. Because of supporters like you, we were able to care for them during their time of need.

our year

Our Under the Moonlight Gala, chaired by Maggie Cooke Kipp and Heather Randall and honoring Roger and Marianne Staubach raised nearly \$185,000.

We hosted our first wedding at the House when one of our families, who had been staying at RMHD for over 8 months decided to get married. Families and staff members joined together to put together a beautiful wedding in less than 48 hours.

Shiloh, our Chief Cheer Officer, celebrated his 3rd birthday in August with a birthday party put on by our summer interns.

In September, we held a 30th Anniversary Luncheon, chaired by Jamie Singer. The event was hosted by our very first chairs, Alan Engstrom and Debbie Raynor. Our Trains at NorthPark event was one of the best to date and helped Ronald McDonald House of Dallas raise over \$530,000 to support our families living here.

We celebrated the holidays with a visit from Santa Claus and handed out over 750 toys, which were generously donated by our local supporters.
