

2022

annual report

Ronald
McDonald
House
Dallas

I'm a firm believer that time together as a family is a gift. This holds true not only for holidays and milestone moments, but in times of struggle or crisis. What Ronald McDonald House of Dallas does so well is "gift" families with a FREE home-away-from-home, complete with meals, comfortable rooms, fun and educational activities, support, and loving care while they seek critical medical care for their precious and in some cases, precocious child(ren).

As a social worker, it has been a gift to witness the good that emanates from this special place, and its tremendous impact not only on the families we serve, but in the volunteers who so generously share their time, our dedicated staff, and the hundreds of donors and friends who so compassionately open their hearts to share their resources with the house that love built. On behalf of our dynamic Board of Directors and every family who walked through our doors in 2022, thank you for making the "good" and the "gift" possible at Ronald McDonald House of Dallas.

May you be inspired by our shared reach and impact highlighted in this 2022 Annual Report. As you'll see, we're getting back to a new normal in our expanded house.

Thank you so much for joining us in this important and rewarding work.

HOUSE HIGHLIGHTS

April

After being closed almost 25 months due to Covid-19, the House dining room reopened on April 1st.

August

We said "see you later" to the Najarro Family, who checked out after 730 days at the House.

We also received a generous \$75,000 grant from first-time donor, the Moody Foundation!

October

Our friends at the Rees-Jones Foundation gifted us with a \$50,000 grant, to be used towards our general House fund.

November

We launched our brand new Hospitality Bag program at Texas Health Frisco. These bags will be provided to families with babies in the NICU and include toiletries, snacks, hygiene kits, and more!

December

We had the most successful Trains at NorthPark season ever - raising over \$900,000 for our families. Thank you to our presenting sponsor, Bank of Texas, fabulous co-Chairs, Lindsay Jacaman and Holly Krug, and all other supporters!

“ Ronald McDonald house made possible the treatment for my children and I am very thankful for all the help provided, just by providing a place to sleep is more than enough, the rest of amenities, food and comfort is a plus! Thanks for so much! ”

THE DEORNELLIS FAMILY

One day, Amy and Tony Deornellis were out doing their usual grocery shopping when they received a phone call from the friends of their 16-year-old son Dylan's girlfriend. The first question they asked the Deornellises was, "Is it typical for Dylan to have seizures?"

They quickly rushed to the hospital near their home in Pittsburg, Texas, where Dylan had been taken. There, they were told he would need to be careflighted to Dallas for an emergency surgery. It wasn't until the Deornellises arrived in Dallas that they learned the full extent of what happened to Dylan. In addition to his seizure, he had suffered a right-side stroke, both of which were caused by a ruptured cerebral aneurysm. The Deornellises were told the probability of Dylan having more strokes was high, so Dylan was kept in the ICU for monitoring and prevention. That's when it hit them - the Deornellises realized they would be staying in Dallas for a while.

However, over 120 miles from home, they weren't sure where to stay. The family couldn't afford a long hotel stay. Then, their social worker referred them to the Ronald McDonald House of Dallas (RMHD). In total, they stayed at RMHD for 76 days until Dylan was recovered enough to go home.

The generous support of donors and friends listed in this Annual Report helps Ronald McDonald House of Dallas further its mission of providing a home-away-from-home for hundreds of families traveling to the Dallas area for their child's medical care. Thank you for ensuring families like the Deornellises experience the house that love built in their time of critical need.
